The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

My family feels because of all the  
dams in Ca. much of the destruction  
is irreversible. Salmon is no longer  
able to come into our local waters.  
We need to find out whos polluting  
& stop it. Our Bay is in  
terrible shape. Stop storing water  
for "So. Ca.", while they waste it.
